6. Selection and Notification of Winners:

On or between **Tuesday, May 10, 2026**, and **Monday, May 25, 2026**, a panel of judges selected at Sponsor's discretion from Autodesk will score each Submission using the following judging criteria ("**Judging Criteria**"):

a. Ingenuity, Presentation, and Creativity—how well the videos showcase Autodesk Flow Studio’s capabilities in elevating its storytelling aspect. The judges are looking for videos that are engaging, ones that people would want to reshare on their own profiles. Videos should draw audiences, spark curiosity, leave an impression, or make them say “WOW.”

b. Contest Adherence—how well the user followed all rules as outlined in these Official Rules, including mentions, hashtags, and all required elements of the contest.

In the unlikely event of a tie, the winner will be determined by the Submission’s score in ingenuity, presentation, and creativity. If the tie still continues, the next tiebreaker is the higher score in contest adherence.

Sponsor will notify each potential winner via direct message on Instagram, LinkedIn, X, or TikTok between approximately **May 25, 2026**, and **June 8, 2026**. To claim a prize, the potential winner must follow the instructions contained in the notification. To the fullest extent permitted by applicable law, Sponsor may require each potential winner to provide a copy of government and/or student ID and sign and return, within five days of being notified by Sponsor, an affidavit of eligibility, liability, and publicity release, a winner’s declaration, and other legal documents (“**Affidavit and Related Documents**”) in order to claim a prize.

If the attempted notification is returned as undeliverable without a forwarding address, if the Affidavit and Related Documents are not signed and returned within five days of the date the notification e-mail is sent by Sponsor, or if the potential winner is otherwise unable to accept the prize as stated, the prize will be forfeited and will be awarded to an alternate winner in accordance with the Judging Criteria. Alternates will be selected until all prizes are awarded.

If, by reason of a print or other error, more prizes are claimed than the number specified in these Official Rules, the prize(s) will be awarded to the Entrant with the highest scoring Submission in accordance with the Judging Criteria from among all valid Entrants.

Verification of Potential Winner

EACH POTENTIAL WINNER IS SUBJECT TO VERIFICATION BY SPONSOR, WHOSE DECISIONS ARE FINAL AND BINDING IN ALL MATTERS RELATED TO THE CONTEST.
